

# MAYPEARL BRICK ACADEMY

Hands-on training from industry experts and AIA-accredited learning focused on masonry cleaning, graffiti management, water repellency, air and water barrier systems, facade anchoring and seismic retrofit solutions and wall cavity performance.

## LEARN FROM THE BEST

Training team with more than 50 years experience in historic restoration and new construction.

## TRY IT YOURSELF

There's nothing like a hands-on experience to really make new knowledge stick.

## IMMEDIATE VALUE

Take what you learn and apply it to your next project.
